

Include your Logo on Templates

Last Modified on 02/04/2025 1:38 pm EDT

Your logo should have been set up during onboarding and should be visible on Fast Report documents.

If it doesn't appear, please email your logo to support@rentp.com in the form of a logo.bmp file requesting that we load it for you.

For logo use on RTF templates, simply include your logo in your template before loading it.
